++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy, breezy and mild tonight.

This Evening and Tonight:
The evening and much of the night will be cloudy and breezy, this leading to a mild night. Patchy rain for some, mainly south of London. Heavier outbreaks of rain will spread eastwards towards the end of the night. Minimum temperature 10 deg C (50 deg F).

Friday:
Outbreaks of rain soon clearing eastwards to leave a largely dry and very mild day, with bright or sunny spells. Breezy once again, but winds should gradually ease later. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Largely dry Saturday with sunny spells. Heavy showers or longer spells of rain Sunday, easing on Monday. Often windy and starting very mild, but becoming cooler next week.
